4. As regards the housing of the Combined Medical and Public Health Centres and the staff employed therein, it is estimated that the total cost of constructing buildings for the purpose including the provision of water-supply, etc., works out roughly to Rs.1,81,200; The cost of acquisition of land required for these buildings is estimated at Rs.18,800 bringing the total cost of the construction of buildings including the acquisition of lands to 2 lakhs of rupees per centre under Scheme No.93. The cost of building 25 taluk centres works out to Rs.9.25 lakhs. In view, however, of the difficulty of constructing these buildings immediately, it has been decided to make a start with these centres by renting private buildings and accordingly orders have been issued in G.O.No.2137, P.H., dated 19th June 1947.

5. The scheme as set out above for the first year will be stated during 1947-48.

6. The expenditure on the employment of the medical staff and the cost of renting the medical portion of the combined unit will be debited to "38.Medical b.B Muffassal Hospitals and Dispensaries -1-Ordinary Areas", while the expenditure on the Public Health staff and the cost of renting the public health portion will be debited to "39(a) Public Health--Public Health-Establishments--B.Establishments--Muffassal--I-Ordinary Areas". The Accountant-General is requested to admit the expedditure in audit pending provision of funds. The Surgeon-General and the Director of Public Health are requested to take steps to provide the funds required in due course by reappropriation or by obtaining additional appropriation.
